STATUS LETTER

Commissioner of Patents  
and Trademarks  
Washington, D.C. 20231

Sir:

The applicant for reissue in the above-identified reissue patent application filed its application on November 18, 1997, through attorneys of record identified as Kinney & Lange, P.A. Subsequently thereto, in about August 1998, the applicant for reissue changed its representative to Robert J. Schaap, who thereupon promptly filed a revocation of previous power of attorney and appointment of new attorney. However, since that date, the applicant for reissue has received no communication from the U.S. Patent and Trademark Office.

The applicant for reissue thereupon requests information as to the status of this application. Please do forward any information concerning this application to:
